Chesapeake Regional Information System for our Patients. **CRISP** is a regional health information exchange (HIE) serving Maryland and the District of Columbia. CRISP is a regional health information exchange (HIE) serving Maryland and the District of Columbia. We are a non-profit organization advised by a wide range of stakeholders who are responsible for healthcare throughout the region. **CRISP has been formally designated as Maryland's statewide health information exchange by the Maryland Health Care Commission.**

Health information exchange allows clinical information to move electronically among disparate health information systems. The goal of the HIE is to deliver the right health information to the right place at the right time - providing safer, timelier, efficient, effective, equitable, patient centered care. In doing so, CRISP offers a suite of tools aimed at improving the facilitation of care for our region's providers.

Ask your Primary Care Physician (PCP) for more information.
